Our next event is the **July 4th Parade**. We need some behind the scenes work including membership collection, community building, collecting for raffles and prizes, etc.

Lynnewood Park Civic Association

The Lynnewood Park Civic Association was formed to promote the development of our neighborhood.

It is comprised entirely of volunteers that sponsor programs and activities for our members, their families and the community. These events include the July 4th Parade, Santa's Workshop, Halloween Spooktacular and the Egg Hunt.

We support the Manoa Fire Company and partner with our First and Fourth ward township commissioners on neighborhood matters.

The annual membership dues are **\$15 per family**.

To get involved, please send in the attached membership form or visit our Facebook group page at **www.facebook.com/groups/lynnewoodparkca**
